

212<sup>TH</sup> COMBAT AVIATION BN.

1971-VIETNAM

## BATTALION HISTORY

The 212th Combat Aviation Battalion was activated 1 March 1967 at Fort Campbell Kentucky, where predeployment training was conducted. The Battalion deployed to the Republic of Vietnam on 10 July 1967 aboard the USNS Banett, arriving at DaNang on 30 July 1967. Upon arrival the Battalion Headquarters was stationed at Marble Mountain Air Facility, located on the coast of the South China Sea near the city of DaNang. Marble Mountain has remained the home base of the "Wings of Freedom" Battalion to the present day. Since becoming operational in August 1967 the Battalion has been engaged in continuous combat operations throughout Military Region 1. During this period the Battalion and its subordinate units have received numerous awards in recognition of an outstanding combat record. Awards to units include the Presidential Unit Citation and Vietnamese Cross of Gallantry. Subordinate aviation units of the 212th Combat Aviation Battalion and dates of assignment are listed below:

It's great just to sit here !!

You mean people really fly these  
thing ?

I don't fly, I just like  
to pretend nao and then.

The Bumff

XO's AREN'T SUPPOSE TO FLY!!!

One and two to what ????

e're not dead, only scared

Six turnin and two burnin

" Now what do I do "!!!

Here's our illustrious boy aviator.

Clerk, not jerk !

1st Platoon, the better half of the wildcat Pilots.

Here's Ole Flight Line 6 Pondering again

Our Company Insignia...Wildcat

Congratulations Sir on making Peter Pilot

Big DEUCE

This is a four wheeled, unmarked, evergrossed, Whatcha-Ma-Callif.

## 2ND PLATOON

My face froze this way the other day.

Well, here we are.

Chief Mini-Hook

Wow... Do we ever like it here.

This is the weekly mustache contest.

What's it look like we're doing?

Alright, who's marning their C-Ration again??

We flew for GERMANY a few years ago.

This is what we've always done best.

I could be doing this  
back home.

I don't know what it is either.

Some G\*A\*ll...stole  
all the blades.

So much for that blade,  
turn the next one.

Man....it sure is!!!

See that hole????? that our  
garage disposal.

My whats showing again.

Never did like these G\*A ll torque  
wrenches.

Quick,hide it,here come the Officers.

I said,Saigon's winning now so we have  
to support the VC starting tomorrow.

# SYSTEM REPAIR PLT

He doesn't know any more than I do about this.

## SERVICE PLT

A slip of the grease pen, and another flyable.

Close your eyes, and pick your priorities!

I'll just stick it here in file 13

What blade strike!!

You see, in order for the 47 to fly The Blades go .....

Who said I have to fly.

You know Karate, I know KR-Gun!!

# TECH SUPPLY

What!! Not another inspection?

I love to work late !!

" He!He! We are out.

You did what with those Amni items!!

Order two more cases of CS!

That's right - Gold fingers!

LUKE A. FLUKER  
First Sergeant

Check it out, RALPH

Do you understand your rights  
under article 31?

You hit what?

That's the way its got to be!

Honey I won't be home for supper tonight!

Well, SARGE, another deadline

I'm working! I'm working!

What's motor stables?

What can I say?

You want what!

But I can't type!

Go away and don't come back!

## SUPPLY

But I've already posted these!

One for you, two for ...

No, we don't stock fire crackers

Freedom Hill or China beach?

Put them in the air!

What! You want to be an A. C.?

Good morning!

What time does the club open?  
The -12s are late again!

Operations

# FLIGHT PLT

Well, Now what?

Really I didn't mean too!

You're kid'n!

No key?

Contact!

I'm not wearing my what?

Okay, who stole the drive shaft?

And there we were single engine,  
SAS off and on the lights

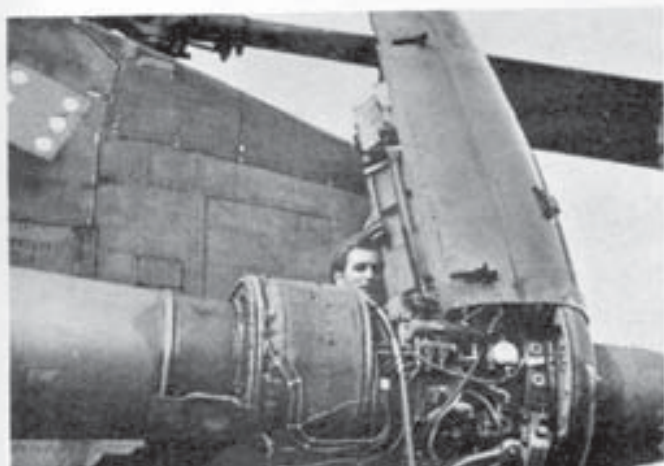

10-4

It's my turn to fire!

Over and out!

"Short"?

But we don't have any M-24  
armament subsystems

Sham-en seven

But it won't make it to the  
states

Lord! What will I tell the Co.?

Don't forget the ancient age!

Dear sweetheart

Try throw in us off!!

MAINT

Lord! What will I tell Cpt. Rhodes

They did what!

What ya doing guys?

And now you pull!

Ya, we worked on that bird!

You bic?

Oh shit, look what I forgot

Tee hee! We're caught!

But what if they find us

Without the TM, we ain't shit!

You break "EM" We fix "EM"

No sir! It's still down

Who got the frezone?

I don't believe that bird did that!

Who left the lights on all night!

Something new from maintenance?

Where do we go from here?

Dummy, It's the wrong end

I know the rubber band is somewhere

Oh hell! Lets fly it out

Where's the poker game?

This?! Electricity!

My first name is "Sergeant"!

Little old finger pecker me

Look I said it's broke, fix it!

Somebody call for me?

We didn't mean to break it!

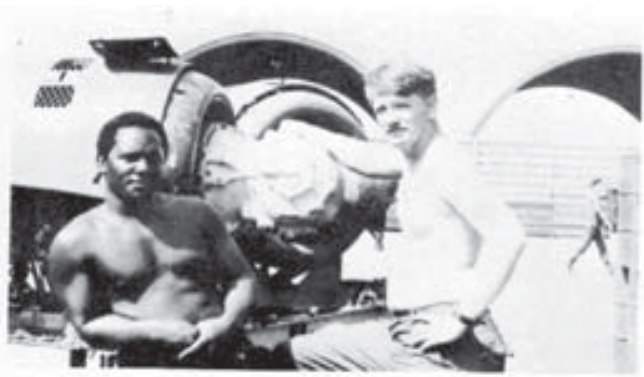

We are all here to help you

Here he comes

Your place or mine?

If this goes here?

So, you blew your bulb, huh?

No 2407, no can do!

Taffs at work

Lets see, right or left

That not my job

Is this it?

Where did it go? just had it!

Can't ya see, I'm work'n?

Leave him alone, he's tired!

We know what's happen'n!

I don't know, I just work here

I don't know

The fly boys think we're sick!

That's a rotor head, Newbie!
