SUBJECT: Letter of Appreciation

TO: Mr Michel TANGUY
Comptroller Division
Management Branch
USAAD-TF, APO 287

Your suggestion concerning the drawing and use of posters to emphasize the "Operation Searchlight" has been approved and utilized at this installation.

Eventhough your suggestion was part of your job responsibilities, the work you accomplished was far above what was requested. I should like to thank you for the excellent job you have done and the good publicity you made with the posters.

I should like to express my appreciation for your efficient participation in our program.
