SUBJECT: Letter of Commendation.

TO: Mr Henry, Serge
Chief, Draftsman
Production Control Branch
Maintenance Division

1. Prior to my departure from this command on 4 February 1963, I would like to express my appreciation for the outstanding manner in which you have performed your duties as Chief Draftsman.

2. Your abilities as a draftsman, technical advisor on equipment and machinery, and as an outstanding supervisor have been amply displayed during my periods of assignment within this division. The drafting section under your supervision has consistently produced top quality work without the need of close supervision by myself or anyone else.

3. Mr Tanguy Michel and Mr Deces, Charles, who are assigned as draftsmen within your section, are also to be commended for the fine quality work they produce on a day to day basis. With these two efficient draftsmen under your supervision and guidance drawings, charts, blueprints, etc., are prepared and approved without delay.

4. Your performance of duty and the performance of those under your supervision is exemplary. Please accept my congratulations for a job well done.
